WRITING

The New Year is coming. People are starting to prepare for this holiday: ~~the~~ they are buying presents, decorating their houses and Christmas trees. On the New Year's Eve people usually set festive tables. They may ~~be different~~ in all families, but on each table there is such fruit as a tangerine which can perfectly explain all five senses.

A tangerine looks like a small sun in your hands. If you take it you can feel ~~it~~ feel the texture throw it to your friend you can hear land it in ^{the} hands with a smack. If you take ~~it~~ a you can feel the texture of its peel. While removing the peel you feel its rich citrus scent and then see its juicy pulp, which can make your mouth water. Depending on the sort it may be sour or, to some extent, sweet.

To conclude, a tangerine is a healthy fruit ~~which~~ ^{that} contains Vitamin C which is used to prevent immunity from different illnesses. Tangerines also bring people around the world an atmosphere of winter joy and celebration.
