WRITING
The Seashore

Being at the seashore is one of the greatest feelings that exist in the world. Breathtaking landscape and atmosphere of peace cannot leave you indifferent.

Once you are here, all your problems seem to fade away. You raise your head and see blue water, a ship in the ~~distance~~ distance and blue sky. Your toes touch soft sand and your fingers feel the warmth of water. In your mouth there is a strong salty flavour. Your lips are salty as well. You feel the smell of the sea which is difficult to confuse with anything else. ~~waves~~ ^{you hear waves} crashing against the seashore and gulls ~~are~~ shouting in the sky. The splash of dolphins in the water makes the sound of ~~the~~ sealife more ~~clear~~ ^{clear}.

The impression, that the seashore gives, is not easy to forget. ~~The seashore~~ ^{It} makes you appreciate what you have, gives peace to your soul and clarity to your mind.
