WRITING

To begin with, if you ask me what can satisfy all the five senses any human has, I will say that it is a chocolate bar. It is something we all can taste, touch, smell, hear and see.

Yesterday I bought one. I took it and found it to be very heavy. I think, when someone sees a chocolate bar, he or she ⁶³ is not able to resist the temptation. And I could not help looking what was inside. While opening it, I ⁶⁴ heard a ^{lex} pleasant noise of the wrap-up. My chocolate did not smell much and its look was ^{lex} quite ordinal, typical of chocolate. But it tasted marvellous. It was a great pleasure to eat it. ¹¹⁷

To sum up, if you have imagination, any simple object like a chocolate bar can become a piece of inspiration or memory of your childhood.
